## WHO WE ARE

British Columbia and the U.S. Pacific Northwest offers boaters some of the most diverse, wild and scenic cruising grounds in the world, and nobody reaches more power and sail boaters in this region than *Pacific Yachting* magazine. Founded in 1968, *Pacific Yachting* is the voice of boating on the West Coast, and is the most trusted, best-selling and most well-read boating magazine in Canada. We have earned the trust of our readers and advertisers through decades of first class boating content, and have built on these partnerships through our support of local boating community events, boat shows and regattas.

Maximize your investment. From cruising destinations and vacation ideas to maintenance projects and product reviews, *Pacific Yachting* magazine provides trusted content to readers and advertisers through our print, digital, video and online formats.

In addition, our *Boaters Blue Pages and Marina Guide* print publication and its online counterpart, [boatersbluepages.com](http://boatersbluepages.com), provide quick and easy access to marine-related businesses and marinas in our market.

Advertise your business in the first place local boaters look for trusted information on boats and boating on the West Coast.
